

# Toilet Paper Tube Turkey

Now is the perfect time to create sweet moments at home with holiday crafts for kids.

## Supplies

*You'll be able to create multiple faces, beaks, gobbles, and feathers from 1 sheet of paper. Estimated time to complete: 10-15 minutes.*

- ✓ Toilet paper roll cut in half (turkey's body)
- ✓ Brown card stock cut into a 1-inch hole (turkey's head)
- ✓ 2 googly eyes
- ✓ Orange card stock (triangle beak)
- ✓ Red card stock (oval-looking gobble)
- ✓ 5 differently colors or patterns of paper cut into feathers
- ✓ Non-toxic glue (hot glue with adult supervision)
- ✓ Scissors (with adult supervision)

## Instructions

1. Create the turkey's face with the round brown paper, googly eyes, beak, and gobble
2. Cut the scrap paper into feathers approximately 1 half-inch wide and 3 inches long
3. Secure the feathers to the back of the toilet paper tube with glue
4. Secure the head to the front of the toilet paper tube with glue
5. You're done!
